

City seeking bids for street rehabilitation project

The City is now accepting bids for Pacific Park Drive and La Paz Road Street Rehabilitation project. Bids are due by 2 p.m. Tuesday, February 14 to the City Clerk's Office, 12 Journey.

The roughly \$855,000 project includes grinding existing asphalt pavement (357,000 SF), placing ARHM pavement (4,470 tons), placing AC leveling course (2,240 tons), PCC cross gutter (4,600 SF), installing traffic loops (52), thermoplastic striping and markings, traffic control, and raising utility manholes, utility vaults, and utility valve covers. The contractor will have 40 days to complete the work.

Bidders can obtain a copy of the Contract Documents for \$45 from the office of the City Engineer, Public Works Department at 12 Journey or have them mailed for \$15.
