"Citizens Helping Citizens in Crisis"

TRAUMA INTERVENTION PROGRAMS, INC. (TIP) is looking for caring people who would like to be part of a team of citizen volunteers trained to provide emotional and practical support to the victims of traumatic events. These modern-day Good Samaritans will be called to emergency scenes by emergency response personnel to:

- Comfort families after the death or sudden illness of a loved one
- Support survivors of a suicide;
- Help emotionally traumatized victims of accidents;
- Provide emotional and practical support to those who have been robbed, burglarized, or assaulted;
- Help disoriented older persons;
- Help those emotionally shaken by any crisis event.

RIGHT NOW, we are in the process of recruiting volunteers to work in your area! We need citizens who would like to be trained as crisis responders in Orange County. **No experience is necessary.**

"To be able to help someone in a time of crisis is the greatest feeling in the world. You just can't imagine how warm you feel in your heart when you hear a victim say, Thank you."...TIP Volunteer
