I am the sole owner and hereby authorize the filing of this application.
 The property owner is a corporate entity. I am the duly authorized representative of said corporation.
 I own the project site in conjunction with one or more persons. (Acknowledgement and authorization for all such persons is required for the filing of this application.)

5. Applicant/Agent: (if different from property owner)

I am not the property owner; however, I am authorized to file this application on behalf of the property owner. (An agent may sign for the property owner if written authorization signed by the property owner is filed with the application.)

Name: _____ Company/Corporation: _____ Telephone: _____ Telephone: _____

Address: _____ City: _____ State: _____ Zip: _____ Email: _____

6. CERTIFICATION:
 As the **Property Owner** or **Applicant/Agent** filing this request, I hereby certify that I acknowledge, understand, and concur with the following statements:

(a) There are no assurances at any time, implicitly or otherwise, regarding either final staff recommendations to the decision making body or final decisions regarding this application.

(b) I am responsible for knowing and complying with government policies and regulations applicable to the proposed development and/or permit. The City is not liable for any damages or loss resulting from the actual or alleged failure to inform the applicant of any applicable laws or regulations. City approval of a permit application, including all related plans and documents, is not a grant of approval to violate any applicable policy or regulation, nor does it constitute a waiver by the City to pursue any remedy which may be available to enforce and/or correct violations of the applicable policies and regulations.

(c) Major changes to the proposed project may require a new application and payment of new or additional deposits.

(d) I have read and agree to documentation pertaining to submission of deposits and financial responsibility (Form FS-100) related to processing of this application.

(e) The information I have presented in this form and the accompanying materials is true and correct to the best of my knowledge. I also understand that additional data and information may be required prior to final action on this application.

Environmental Impact Assessment

FORM PS-205

Application Number(s): _____ **Date Filed:** _____

Project Description:

ENVIRONMENTAL IMPACT ASSESSMENT:

A brief explanation is required for all questions that constitute a "Yes" answer on page two (2). All answers must take into account the entire action involved, including off-site as well as on-site, cumulative as well as project-level, indirect as well as direct, and construction as well as operational impacts.

- | YES | NO | |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | 1. Change in existing features of any bays, tidelands, beaches, lakes, hills or substantial alteration of ground contours. |
| <input type="checkbox"/> | <input type="checkbox"/> | 2. Change in scenic views or vistas from existing residential areas or public lands or roads. |
| <input type="checkbox"/> | <input type="checkbox"/> | 3. Change in pattern, scale or character of general area of project. |
| <input type="checkbox"/> | <input type="checkbox"/> | 4. Significant amounts of solid waste or litter. |
| <input type="checkbox"/> | <input type="checkbox"/> | 5. Change in dust, ash, smoke, fumes or odors in vicinity. |
| <input type="checkbox"/> | <input type="checkbox"/> | 6. Change in ocean, bay, lake, stream or ground water quality or quantity, or alteration of existing drainage patterns. |
| <input type="checkbox"/> | <input type="checkbox"/> | 7. Substantial change in existing noise or vibration levels in the vicinity. |
| <input type="checkbox"/> | <input type="checkbox"/> | 8. Site on filled land or on slope of 10 percent or more. |
| <input type="checkbox"/> | <input type="checkbox"/> | 9. Use or disposal of potentially hazardous materials, such as toxic substances, flammables or explosives. |
| <input type="checkbox"/> | <input type="checkbox"/> | 10. Substantial change in demand for municipal services (police, fire, water, sewage, etc.). |
| <input type="checkbox"/> | <input type="checkbox"/> | 11. Substantial increase in fossil fuel consumption (electricity, oil, natural gas, etc.). |
| <input type="checkbox"/> | <input type="checkbox"/> | 12. Relationship to a larger project or series of projects. |
| <input type="checkbox"/> | <input type="checkbox"/> | 13. Has a prior environmental impact report been prepared for a program, plan, policy or ordinance consistent with this project? |
| <input type="checkbox"/> | <input type="checkbox"/> | 14. If you answered yes to question 13, will this project cause significant effects on the environment that were not examined in the prior EIR? |

Explanations: (attach separate sheets if necessary)

15. Describe the project site, as it exists before the project, including information on topography, soil stability, plants and animals, and any cultural, historical or scenic aspects. Describe any existing structures on the site and use of the structures. Attach photographs of the site.

16. Describe the surrounding properties, including information on plants and animals and any cultural, historical or scenic aspects. Indicate the type of land use (residential, commercial, etc.), intensity of land use (one-family, apartment houses, shops, department stores, etc.), and scale of development (height, frontage, setback, rear yard, etc.). Attach photographs of the vicinity.

17. List and describe other related permits and public approvals required for this project, including those required by city, regional, state and federal agencies.

CITY/CEQA PROCESS: (please initial below)

____ The Director of Planning Services (Director) will determine whether the activity is a “project”.

____ If the activity is a “project”, the Director will determine if the project is exempt from further CEQA analysis:

- If the project is exempt, an \$84.00 CEQA fee is added to the application amount and a \$50 check payable to the “Orange County Clerk Recorder” will be required to be submitted to staff with two (2) days of a City determination.

____ If the activity is a “project” and it is not deemed exempt:

- The Director will request bids from three (3) environmental consultants to prepare an Initial Study and subsequent environmental documentation; and will select consultant with applicant’s input.
- The Applicant shall provide a check payable to the “City of Aliso Viejo” for the amount identified in the consultant’s proposal.
- The City shall execute a contract with the selected consultant for the amount identified in the proposal and on deposit with the City.
- Following completion of the document, specified consultation/noticing period, and a determination by the City, the Applicant shall provide staff with a check payable to the “Orange County Clerk Recorder” for the applicable Fish and Game and administrative fees within two (2) business days of the City determination.

CERTIFICATION:

I hereby certify that statements furnished above, and in the attached exhibits, present the data and information required for this initial evaluation to the best of my ability, and that facts, statements and information presented are true and correct to the best of my knowledge and belief.

Site Plan Reference Sheet

**FORM
PS-213**

Plans must be drawn by a professional designer or architect unless otherwise approved by the Director.

Existing Development Site Plan

To prepare a Site Plan for an existing development, include the following information:

- Project address, vicinity map, north arrow, and scale
- General Plan Land Use Designation and Zoning Classification
- Legend Block with glossary of all abbreviations/acronyms used and identification of each light weight and symbol
- Location of existing structures
- Required setbacks identified
- Location of off-site adjacent structures

Signage Site Plan

To prepare a Site Plan for a Sign Permit application, include the following information:

- Project address, vicinity map, north arrow, and scale
- General Plan Land Use Designation and Zoning Classification
- Legend Block with glossary of all abbreviations/acronyms used and identification of each light weight and symbol
- Location of existing structures
- Linear wall dimensions
- Location of existing signs
- Location of proposed signs

Proposed Development Site Plan

To prepare a Site Plan for proposed structures and/or additions, include the following information:

- Project address
- Vicinity map
- North arrow
- Scale
- Legend block with glossary of all abbreviations/acronyms used and identification of each light weight and symbol
- Information block containing all information required in PS-207 Land Use Application Fact Sheet
- Existing and proposed property lines
- Locations, names, dimensions, and descriptions of all existing and proposed right of way lines, dedications, and easements
- Locations of existing and proposed structures, additions, utilities, driveways, walks, and open spaces
- Any structures to be relocated, removed, or demolished
- Locations, heights, and materials of existing and proposed walls and fences
- Location of any transformers, utility boxes, air conditioners and any other free-standing mechanical equipment
- Full width of public streets and alleyways fronting the project site, and provide complete dimensions of the street, elevations at minimum 25' intervals at Tops of Curb, Flow lines, Centerline, and Back of Walk
- Distance between the project and all buildings on abutting properties and label existing building size, use, height, and roof construction on abutting properties if the project includes the construction or expansion of a building
- Locations, dimensions, and descriptions of parking areas
- Existing and proposed grade elevations and any significant natural features
