Dear Potential Contract Instructor:

Thank you for your interest in being a Contract Instructor for the City of Aliso Viejo. Attached you will find a Contract Instructor Application. Applications need to be submitted six to eight months prior to the desired session (however: summer classes are reviewed in October). Once your application has been reviewed, you will be contacted regarding its status.

What is a Contract Instructor?

A Contract Instructor is an Independent Contractor for the City, not an employee. A Contract Instructor signs a contract with the City to provide classes as described in your proposal. Instructors do not rent our facilities, however a portion of the fees collected are retained by the City to cover facility usage, registration, administration and promotion of your class in the Aliso Viejo Newsletter.

Important Information:

- The City pays the Contractor a percentage of the total enrollment fees collected, minus any non-resident fees. All payments are made at the end of the session period via direct deposit.
- Advertising is provided through the City's quarterly newsletter, which is distributed to all Aliso Viejo residents. Any additional advertising is the responsibility of the Contractor. Prior to distribution, Community Services must approve all promotional pieces.
- The City requires a minimum \$1,000,000 liability insurance coverage for classes that include a certain level of risk to the City. The policy must name the City of Aliso Viejo as an additional insured with an endorsement letter attached. The City can help obtain insurance through the special event insurance program.
- All Instructors/substitutes/aides and assistants teaching classes to children under the age of 18 must be fingerprinted.

Thank you for your interest in offering classes to the residents in Aliso Viejo.
