

BUSINESSES ARE GOING GREEN:

Assembly Bill 32 (AB32) will require all businesses in California that generate waste to recycle.

In Aliso Viejo, CR&R will do the recycling for you at our Material Recovery Facility (MRF). We will collect your waste and transport it to our MRF where we will pull recyclables from your waste stream through a process of manual and mechanical sorting. When your employees don't need to sort your waste, it allows them more time to grow your business.

NEW COLLECTION SERVICES: FOOD SCRAP COMPOSTING IS HERE!

Did you know that the average restaurant in California disposes more than 50 tons of organic waste every year? CR&R is now offering a Food Scrap Compost collection service to all businesses in the City of Aliso Viejo. Instead of going to the landfill, food scraps collected in this program will be turned into useful products for gardeners and farmers.

CR&R's Recycling Specialist are available to discuss the advantages of the new Compost service being offered. Want to learn more or have questions? Call (877) 728-0446 or send an email to recycle@crrmail.com.

OTHER SERVICES

Bulky Items, White Goods & E-Waste Recycling

Items that cannot properly fit in your bin, such as a chair or desk, are considered bulky items and require a special pick up. White goods (i.e. refrigerators, freezers) and electronic waste cannot be disposed of in your bin. Electronic waste (e-waste) is anything with a circuit board or battery, such as computers, telephones and copiers. CR&R will collect and properly dispose of and recycle these items. To schedule a pick-up, please call CR&R's customer service department at (877) 728-0446.

Hazardous Waste

Hazardous wastes are products that are flammable, corrosive, reactive or toxic. They are dangerous to the public and the environment. It is illegal to dispose of hazardous wastes in your CR&R bins.

For a list of companies that accept business hazardous waste, please visit www.oilandfills.com, click on Hazardous Waste, then click on Business Hazardous Waste referrals.

Special Events

If your business is planning a special event, please call CR&R to outline a waste and recycling plan.
