**CONDITIONS OF APPROVAL FOR APPLICATIONS FOR ALTERNATE MATERIALS, ALTERNATE DESIGNS AND METHODS OF CONSTRUCTION**

Building Official may approve the proposed alternate, if sufficient evidence is provided that:

- Proposed design complies with the intent of provisions of the current codes.
- The material or method proposed is equivalent to code requirements in:
  1. Suitability
  2. Strength
  3. Effectiveness
  4. Fire resistance
  5. Safety
  6. Sanitation

**Upon approval, all the features of the approved alternate method or material (including a copy of the application) shall be incorporated into the drawings and this form shall be reproduced on the drawings.**

**DISCLAIMER**

*Applicants for Alternate Materials, Alternate Design and Methods of Construction shall note that the approval of the proposal is based on the factual documentation provided in support of the alternate at the time of approval. If at any point during the plan review or inspection process, the Building Official finds deviations from the approved alternative, the approval becomes invalid, and any changes to the approved alternative will require a new submittal by the applicant and an approval by the Building Official. For Alternate Proposals processed before submittal of full set of plans, the approval is only conceptual. The approval needs to be validated after submittal of all construction documents.*
