

NEIGHBORHOOD CLEANUP

To keep our neighborhood and environment beautiful and clean, The City of Aliso Viejo is inviting residents and businesses to organize and participate in neighborhood cleanup events.

Organizing and participating in a neighborhood cleanup event is very easy. All it takes is a little organization, elbow grease, and willing volunteers

What are the advantages of a Neighborhood Cleanup?

- ❖ Increases awareness and creates the groundwork to keep the community clean over a long period of time.
- ❖ Creates a sense of community and pride among the residents of the neighborhood.
- ❖ Gets people out for a one-day event that has visible results
- ❖ Helps to prevent litter and other pollutants from entering the storm

If you wish to organize a neighborhood cleanup, City staff will be happy to provide you with a cleanup kit. Please contact the City's Environmental Division at 949-425-2535 for more information.
